Dear BBQ Product Vendor:

On August 21st and 22nd, the 1st Annual "BBQ Beach Bash" will be held at the Jekyll Island Convention Center on beautiful Jekyll Island, Ga. As the event organizer for this event, I am inviting all BBQ product vendors to come to the Georgia Barbecue Association sanctioned competition.

This event will be held in conjunction with Jekyll Island's Annual "Beach Music Festival". This event draws between 3,000 and 5,000 people annually. This would be a good time for you to vacation with your family and to display your products. A \$25.00 vendor fee is all that it will cost for you to set up a booth, where you will have an opportunity to display your products, sell your products, or conduct product demonstrations to the general public and to the bbq competition teams that will be in attendance.

Due to the current economic situation, I wanted to make the vendor fee something that everyone could afford. This would allow vendors the opportunity to showcase their products in an environment that they would enjoy.

If you are interested, please e-mail me and I will send you additional information about the event. If you have any other questions, please do not hesitate to contact me.

Sincerely,

Kevin Sparks
